ABSTRACT

This reference guide contains a descriptive critique of each of more than 900 images of paintings and drawings presented in "The Shorewood Collection." This guide is intended to be used as a reference tool in conjunction with Shorewood's art educational programs, which range from grade levels K through 12. Master works from major epochs in the history of Western art and some exemplars from Asian, African, and American Indian cultures are presented. The guide is indexed by alphabetical listing of artists. (MM)
